„My annual summer journey with the Czech language began in 2001 thanks to my husband, who has Czech roots. I got hooked on the Czech language myself! The atmosphere here is incredibly friendly, with people from around the world coming together to learn and share experiences. We always find reasons to laugh — whether it's a tricky Czech word or a funny misunderstanding. If you're considering joining, don't hesitate! If I can do it, so can you.“
